AK-RX-401 CERVICAL THORACIC ORTHOSIS

- Restricts motion of the Cervical & Thoracic Spine

USAGE: Immobilizes Spine during healing, controls pain by restricting movement

SIZE: Free Size

AK-RX-402 CERVICAL ORTHOSIS (Height Adjustable)

- Restricts motion of the Cervical, Height adjustable to customize fit

USAGE: Restricts Neck motion, Traumatic Neck or Head Injuries

SIZE: Free Size

AK-RX-412 ASH BRACE

- Lightweight, Easy to apply, Customizable.
- Anatomical Sternal and pubic pads.
- Malleable Horizontal and Vertical bars.
- Easy Slide & Screw adjustment for patient compliance.

USAGE: • To Immobilize the vertebral column

- To Stabilize the spine.

AK-RX-404 HYPER EXTENSION BRACE

- Sternal & Pubic pads prevent flexion of the Spine, restricts forward movement of Spine, Light Weight

USAGE: Spinal Compression Fractures, Post Spine Surgery

SIZE: S, M, L

AK-RX-403 TELESCOPIC ROM KNEE BRACE

- Telescopic effect for height adjustment, ROM for controlled knee movement

USAGE: After ACL, PCL, MCL, LCL ligament repairs, Total Knee replacement, Tibial Fracture, Osteochondrol repair

SIZE: Free Size

AK-RX-406 SHOULDER ABDUCTION BRACE

- Designed to hold shoulder in 15°, 30°, 45° of abduction. Padded Pillow & foam material for comfort & support

USAGE: Humeral Head Fracture, Immobilization of Rotator Cuff, Shoulder Instabilities, Arthroscopic repair

AVAILABLE AS: In abduction mode of 15, 30, 45.

AK-RX-411 T L S O BRACE

- Stabilizes the full length of the spine from symphysis pubis to the scapular spine.
- Reduces Pain, Prevents Injury, corrects posture.

USAGE: • To control the spinal posture
• To restrict the movement of lower and mid spine

AK-RX-413 PTTD BRACE

- Brace is designed to support Posterior Tibial Tendon Dysfunction.
- Supports the medial & lateral sides of the ankle.
- Allows extension movements of the ankle.

USAGE: • Postoperative rehabilitation of ankle.
• Correction of adult acquired flat foot.

SIZES: Available as Left/Right
S/M/L/XL

AK-RX-415 HIP ABDUCTION BRACE

- Provides firm support & stabilization following total hip arthroplasty
- Extension & Flexion ROM adjustable

USAGE: • Postoperative hip rehabilitation.
• Gradual hip movement rehabilitation following arthroplasty

SIZES: Universal

AK-RX-414 DENNIS SHOE SPLINT

- Made of Aesthetic light weight aluminum alloy.
- The length between Markell shoes can be adjusted according to medical requirement.
- Ankle strap ensures heel to fit inside shoes.

USAGE: • To Improve infant foot inversion/eversion
• To correct club foot.

SIZES: S, M, L

AK-RX-405 AIR ANKLE WALKER

- Special Rocker bottom ensures stability during walking
- Built in button pump for easy inflation to provide desired compression

USAGE: Conservative and post-operative treatment/rehabilitation of ankle

SIZE: S,M,L

AK-RX-409 PNEUMATIC ANKLE BOOT

- Aesthetic plastic outer.
- Two velcro straps for comfortable and anatomical fit.
- Easy button inflation and deflation.

USAGE: • Postoperative rehabilitation of ankle.

SIZES: S, M, L

MISC AIDS

595 INFLATABLE AIR CUSHION

- Flexible material and chambered design enhance comfort
- Hollow design prevent chaffing
- Comes with Air pump for easy inflation anywhere anytime

USAGE: Haemorrhoids | Coccyx fracture

570 GEL BALL

- Soft gel material enhances comfort

USAGE: Rehabilitation post stroke | increasing strength of fingers for better gripping

SIZE: UNIVERSAL

STOCKINGS

593 COMPRESSION STOCKINGS (above knee)

- With a graduated compression of 22-35 mm/hg from ankle, they help correct restricted circulation from ankle upwards
- Open toe design enhances patient comfort
- Special silicon band prevents slippage

USAGE: Varicose veins | Pregnancy oedema

SIZE: S, M, L, XL, XXL

593 COMPRESSION STOCKINGS (below knee)

- With a graduated compression 22-35 mm/hg from ankle, they help correct restricted circulation from ankle upwards
- Open toe design enhances patient comfort

USAGE: Varicose veins | Pregnancy oedema

SIZE: S, M, L, XL, XXL

594 ANTIEMBOLISM STOCKINGS (above knee)

- Best quality lycra with compression of 18-24 mm/Hg to provide adequate pressure in the legs for ambulatory patients
- Silicon thigh band prevents slipping

USAGE: Prevention of thromboembolism

SIZE: S, M, L, XL, XXL

594 ANTIEMBOLISM STOCKINGS (below knee)

- Made of best quality lycra with compression of 18-24 mm/Hg to provide adequate pressure in the legs for ambulatory patients
- International colour code for easy identification

USAGE: Prevention of thromboembolism

SIZE: S, M, L, XL, XXL

KNEE

500 KNEE SUPPORT

- 4 way elastic ensuring better compression
- Inside comfort lining enhance patient compliance
- Provide firm support & adequate compression

USAGE: Minor Sprain & Strain

SIZE: S, M, L, XL, XXL

503 KNEE SUPPORT OPEN PATELLA

- Provides comfortable pressure on knee joint
- Contoured design relieves pressure on knee
- Padded support at open patella stabilize the patella

USAGE: Chondromalacia | Patella Dislocation | Patellar Tendinitis

SIZE: ONE SIZE FITS MOST

505 NEOPRENE OPEN PATELLA KNEE SUPPORT

- Neoprene ensures warm 4 way compression
- Retains body heat for faster healing
- Inside lining provides patient comfort

USAGE: Provides firm support in overstressed and unstable knee | Chondromalacia | Joint dislocation | Resistant Patello femoral pain

SIZE: ONE SIZE FITS MOST

507 HINGED KNEE SUPPORT

- Metal hinges support the weak knee and ligaments
- Designed to give snug fit around knee
- Padded support at patella for better stabilization

USAGE: Prevents Knee flexion | Post tibial fracture | Meniscus injury

SIZE: ONE SIZE FITS MOST

509 KNEE IMMOBILIZER

- 4 metal stay ensures complete immobilization of knee joint
- 4 strategically placed velcro straps and the central velcro flap increases patient compliance and adequate snug fitting

USAGE: Immobilization of knee joint following TKR | Post-operative knee immobilization

SIZE: S, M, L, XL, XXL

508 HINGED KNEE SUPPORT

- Retains body heat, increases circulation, ensures faster healing
- Sturdy metal hinges support knee joint and lateral / medial ligament

USAGE: Osgood schlatter disease | Chronic instability

SIZE: S, M, L, XL, XXL

ANKLE

510 ANKLE SUPPORT

- 4 way elastic with inside lining provides better compression and ensures patient comfort
- Anatomical design provides snug fit

USAGE: Mild Sprain & Strain of Ankle joint | Arthritic pain

SIZE: S, M, L, XL

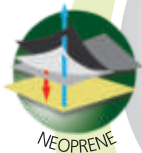

512 ANKLE BINDER

- Stretchable material for adequate compression
- Easy velcro closure
- Wrap around 8 design for better compression

USAGE: Sprain & Strain | Inflammation | Gout

SIZE: ONE SIZE FITS MOST

511 NEOPRENE ANKLE SUPPORT

- Neoprene ensures retention of body heat providing warm 4 way compression for faster healing
- Criss-Cross Velcro ensure snug fit

USAGE: Prevent inversion / Eversion injury | Tendinitis | Achilles tendon

SIZE: ONE SIZE FITS MOST

ELBOW

Aktive

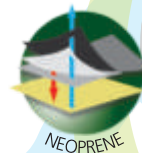

520 ELBOW SUPPORT

- 4 way elastic for adequate compression
- Anatomical design allows snug fit
- Inside cotton lining provides patient comfort

USAGE: Minor sprain & strain in elbow region

SIZE: S, M, L, XL

524 TENNIS ELBOW SUPPORT

- Provides uniform compression over elbow joint, relieves pain faster

USAGE: Tennis Elbow; bursitis

SIZE: ONE SIZE FITS MOST

521 NEOPRENE ELBOW BRACE

- Neoprene provides constant warm pressure for better healing
- Retains body heat, increases circulation & ensures faster healing

USAGE: Bursitis | Tendonitis | Tennis Elbow | Arthritic Pain

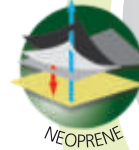

SIZE: ONE SIZE FITS MOST

WRIST/FOREARM

530 WRIST WRAP

USAGE: Sprain & Strain | Tendonitis ,Inflamed and Stiff Wrist.
SIZE: ONE SIZE FITS MOST

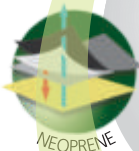

532 WRIST & THUMB SUPPORT

- Neoprene provides warmth and best possible compression
- Helps in stabilizing wrist & thumb joint

USAGE: Carpal Tunnel Syndrome

SIZE: S, M, L, XL, XXL

533 WRIST SUPPORT

- Neoprene provides warm and all-encompassing compression for better pain relief and faster healing
- Adjustable hook & loop strap allows snug fit

USAGE: Weak | Unstable Strained Wrist | Arthritic Pain

SIZE: ONE SIZE FITS MOST

534 WRIST SPLINT

- Surgical elastic ensures better compression
- Provides total immobilization of wrist joint
- Fits both left and right hand

USAGE: Post Wrist Fracture, Strain & Sprain

SIZE: ONE SIZE FITS MOST

535 THUMB SPICA SUPPORT

- Mouldable aluminium splint fully immobilizes thumb joint
- Supports weak ligament

USAGE: Sprain & Strain | Post Thumb Fracture

SIZE: ONE SIZE FITS MOST

536 FORE ARM & WRIST SPLINT

- Two strong metallic splints on the two sides and a smaller metallic medial splint provides total support to Radius and Ulna in the process giving total immobilisation to the weak forearm

USAGE: Radio-Ulna fracture | Sprain and Strain of wrist/forearm

SIZE: ONE SIZE FITS MOST

WAIST

584 TUMMY TRIMMER NEOPRENE (9 inches)

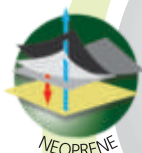

- Increases higher calorie utilization thereby reducing extra flab on the waist
- USAGE:** Helps in weight reduction programme | Post Natal Abdominal Constrain
- SIZES:** Free size

588 ABDOMINAL BINDER

- Three strategically placed plastic stays in the back provides support to back and abdominal muscles
- USAGE:** Post-Operative and Post Natal Abdominal Constrain
- SIZE:** S, M, L, XL, XXL

SPINAL BRACES

541 NEOPRENE LUMBAR BELT

- Neoprene provides all-encompassing compression with heat retention allowing faster pain relief and faster healing from injury
 - Metal stays support the lumbar spine adequately
- USAGE:** Low back pain | Slip Disc | Post vertebral operation
- SIZE:** S, M, L, XL, XXL

543 LS BELT ECONOMY

- Padded central support with 4 stays in the back support the lumbo sacral region and helps reduce pain
 - Durable straps ensures snug fit
- USAGE:** Slip disc | low back pain | lumbar spondylosis
- SIZE:** S, M, L, XL, XXL

542 TAYLOR'S BRACE

- Firm & flexible stays provide superior back support to improve posture
 - Light weight soft fabric ensures comfort
- USAGE:** Scoliosis | Kyphosis | Lordosis | Post-operative rehabilitation
- SIZE:** S, M, L, XL, XXL

548 CONTOURED SACRO LUMBAR SUPPORT

- Anatomical contoured design ensures better fit
 - Adjusts to body contour
 - Four mouldable stays support the strained & weak back muscles
- USAGE:** Slip disc | degenerative disc problems | Spondylosis | spondylolysis
- SIZE:** S, M, L, XL, XXL

TRAUMA AIDS

590 STERNAL BRACE

- Pressure pad secures sternum better
- High quality elastic with superior Velcro closures ensures better patient compliance

USAGE: Post Cardiothoracic surgery

SIZE: S, M, L, XL, XXL, XXXL

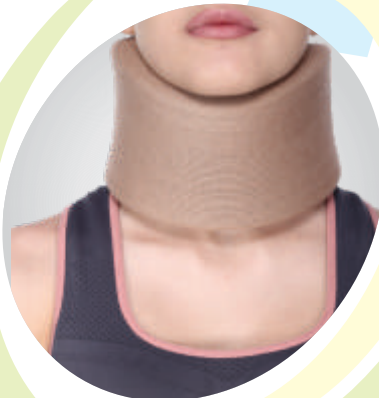

592A RIB BELT

- High grade material provides adequate compression
- Hook & loop closure enhances patient compliance

USAGE: Rib injuries | Rib Fractures

SIZE: ONE SIZE FITS MOST

CERVICAL

581 SOFT COLLAR (BONELESS)

- Special foam material provides firm yet flexible support to the cervical spine
- Provides gentle immobilization of cervical spine

USAGE: Pain relief from stiff neck | cervical muscle tension | Neck muscle strain

SIZE: S, M, L, XL

582 CERVICAL COLLAR (HARD)

- Provides firm support to cervical spine
- Soft foam lining supports chin area

USAGE: Whiplash injury | Herniated disc

SIZE: S, M, L, XL

587 EYELET COLLAR

- Soft Foam support with ventilation hole allowing air circulation for better patient comfort
- Provide immobilization of neck region with moderate rigid support

USAGE: Stiff Neck | Cervical muscle injury | Ligament sprain

SIZE: S, M, L, XL

586 PHILADELPHIA COLLAR

- Two piece design provides rigid support to cervical spine
- Anterior cut out for tracheotomies
- Arch mandibular support maintains neutral alignment

USAGE: Facet Syndrome | Cervical spondylosis | Torticollis

SIZE: S, M, L, XL

FOOT CARE

Aktive

560 GEL HEEL

- Special gel to give soft touch feelings
- PU insert provides optimum cushioning

USAGE: Heel & Back Pain

SIZE: M, L

561 SILICON HEEL CUSHION

- Special grade silicon ensure better shock absorption
- Absorbs impact on the plantar surface of the foot

USAGE: Heel pain | Pressure redistribution | Shock absorption

SIZE: S, M, L, XL

AKL-012 GEL COMFORT HEEL

Non-slip gel pad cushion provides instant pain relief

562 SILICON INSOLE

- Helps in pressure redistribution
- Provides relief from pain due to pressure in heel and metatarsal area

USAGE: Foot fatigue | Charcoal foot disorder | Diabetic foot ulcer

SIZE: S, M, L, XL

563 GEL INSOLE

- Reduces shock impact on ankle and foot
- Special gel material provides better cushioning in heel and metatarsal area

USAGE: Foot fatigue | Heel / Metatarsal pain

SIZE: S, L

AKL-040 GEL HEEL SOCS

- Reduces shock impact on ankle and foot
- Special gel material provides better cushioning in heel and metatarsal area

USAGE: Foot fatigue | Heel / Metatarsal pain

SIZE: S, L

566 TOE SEPRATOR

- Reduces pain caused by inter digital pressure
- Prevents overlapping of toes

USAGE: Overlapping Toes | Calluses | Bunion Deformity

SIZE: ONE SIZE FITS MOST

567 GEL TUBING

- Fully lined with soft gel with flexible fabric to conform well to digits

USAGE: Corns | Calluses | Hammer Toes, claw toes

SIZE: ONE SIZE FITS MOST

AKL-037 GEL TUBING & TOE SPACER

- Help to straighten and align the toe correctly, avoiding rubbing and overlapping.
- Helps in the prevention and relief of discomfort caused by bunions, hammer toes, claw toes.

SIZES: Available in packs of one pair, universal size.

568 HALLUX SPLINT/ BUNION SPLINT

- Malleable splint helps in big toe alignment
- Reduces pain due to deformity
- Can be worn with shoes

USAGE: Bunions | Toe deformity correction

SIZE: ONE SIZE FITS MOST

569 ARCH SUPPORT

- Improves foot stability, reduces friction, enhances foot comfort
- Unique 3/4th length allows extra toe room

USAGE: Plantar fascitis | Arch Pain

SIZE: S, M, L, XL

AKL-043 HEIGHT RAISING INSOLE

- Helps in compensating the height.
- Comfortable material enhancing patient compliance.
- Fits in all shoe sizes.

FOOT CARE

AKL011 ARCH PAD

Comfortable easy fit
Arch Pad of soft gel

AKL039 ARCH PAD

- Elevates the Arch in flat foot condition.
- Absorbs shock & relieves foot pain.
- Can be worn with all kinds of footwear.
- Specially suitable for kids.

AKL014 GEL MOISTURISING SOCKS

Prevents dry cracked
heels

AKL013 GEL TOE SLEEVE

Protects from abrasions
& painful corns

AKL019 GEL HAMMER TOE PAD 3 LOOP

Relieves pain from
hammer, mallet toe

AKL020 TOE CAP

Relieves discomfort
due to corn, Blisters,
ingrown nail

AKL021 GEL HEEL PROTECTOR

Protects cracked heels
during walking

AKL023 METATARSAL PAD

Self sticking pads
relieve foot pain

AKL024 DOUBLE LOOP BUNION

Protects hallux Bunion
from friction & pressure

AKL025 BUNION SLEEVE

Gel pad inserter
relieves pressure on
the bunion

AKL026 GEL TOE STRETCHER

Stretches & separates
claws toes

AKL027 HEEL LINER

Special easy fit liner
ensures wearing
comfort

HOT & COLD THERAPY

596 COLD / HOT GEL PACK

- Suitable for both cold & hot therapy
- Reliable in temperatures as low as (-20°)
- Microwaveable

USAGE: Cold therapy reduces inflammation following injury or surgery | Hot therapy promotes soothing relief from tired ached muscles

SIZE: STANDARD, XL

574 ORTHOPAEDIC HEATING PAD

- Durable thermostat for total safety
- Comfortable cotton cover for better patient compliance

USAGE: Knee, Back, Ankle

FRACTURE AIDS

571 ARM SLING POUCH

- Soft foam cloth ensure comfortable support
- Pouch design supports the arm

USAGE: Dislocation of Arm, Elbow, Forearm, Wrist

SIZE: S, M, L, XL

571L ARM SLING L-SHAPE

- Soft foam cloth ensure comfortable support.
- L shaped design for absolute rest of the forearm and elbow

USAGE: Dislocation of Arm, Elbow, Forearm, Wrist.

SIZES: S, M, L, XL

573 CLAVICLE BRACE

- Special foam material ensures better patient compliance and adjustable hook & loop closures ensure snug fit

USAGE: Posture correction | Rehabilitation post clavicle fracture

SIZE: REGULAR / XXL

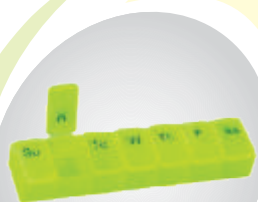

572 SHOULDER IMMOBILIZER

- Immobilizes arm and shoulder area
- Universal design fits both left and right arm
- Elastic material to hold shoulder & wrist

USAGE: Shoulder dislocation

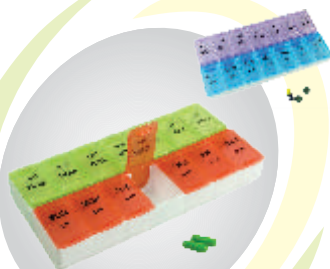

SIZE: ONE SIZE FITS MOST

LIFE STYLE PRODUCTS

AKL-002 7 DAY PILL BOX

- Made of high quality plastic.
- Large compartment can hold multiple tablets.
- Ideal for elderly people.
- Ensures easy reminder.

AKL-003 WEEKLY PILL BOX AM / PM

- Made of high quality plastic.
- Big size colour coded compartment for storing multiple tablets.
- Ideal for elderly people.

AKL-007 WEEKLY PILL PLANNER-3 DOSE

- Convenient 3 Dose/Day Pill Planner.
- Colour coded for easy identification of morning/noon/evening.
- Ideal for elderly people.

AKL-008 WEEKLY PILL ORGANIZER 4 DOSE

- Push button ensures easy opening.
- Light weight and easy to carry.
- Ideal for elderly people.

AKL-044 SUPER SIZE PILL BOX

- Large size with large compartment provides maximum space for maximum number of medication.
- Made of best quality transparent plastic.

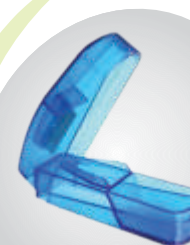

AKL-004 TABLET CUTTER

- Cuts any size tablet into 2 parts.
- Compartment to store cut tablets.
- Made of good quality plastic, CE marked.

AKL-018 TABLET CRUSHER

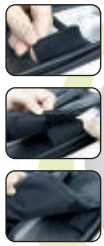

- Single device for cutting, crushing or storing tablets.
- Can crush the tablet into powder/granules.
- Efficient steel blade helps cut tablets of any size.

AKL-042 TABLET CUTTER (PREMIUM)

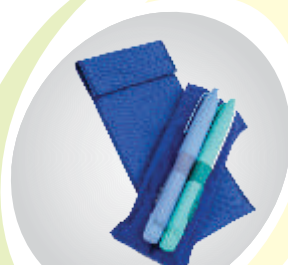

- Made of transparent colour plastic for beautiful looks and easy identification.
- Efficient steel blade helps cut tablets of any size.
- Can cut and store tablets.

LIFESTYLE/MISC. PRODUCTS

AKL-028 COOLING CASE

- For carrying Insulin, Vaccines, other medicines that require cooling.
- Multiple slots for keeping different insulin accessories.
- Hard shell and lightweight bag keeps insulin safe during travel.

AKL-050 COOLING POUCH

- For carrying Insulin.
- Can carry two pens.
- Ideal for days trip out.

AKL-035 ICE BAG

- Colourfully designed attractive pouch.
- Strong plastic cap prevents slippage.
- Made of water resistant material for total protection.

AKL-029 EYE WASH CUP

- Easy & safe eye wash.
- Relieves itching, burning sensation, discomfort of eye
- Ideal for air pollution related irritation.

AKL-005 EAR PLUG

- Can reduce noise upto EPA33 decibels.
- Reduces noise of crackers, audio
- Ideal for sleep, study & in old age.

AKL-010 NAUSEA/MOTION SICKNESS BAND

- The band stimulates the P6 (Nei-kuan) acupressure point
- Prevents Nausea and Vomiting.
- USAGE:** • Travel sickness.
- Nausea/Vomiting During pregnancy.

AKL-034 FOOT MESSAGE MACHINE

- Soothes ankles, feet & legs.
- Stimulates circulation and helps reduce pain in thighs, calves, ankles & feet.
- Pack includes 2 calf/foot wraps, 2 thigh/leg wraps, Hand-held controller • Adaptor.
